

CORRECTION

The title and conclusion of a recent abstract (1) were worded incorrectly. The nurse-run management program *increased* the time to readmission, not reduced, as stated in the abstract.

Reference

1. A nurse-run program for congestive heart failure reduced time to hospital readmission [Abstract]. ACP J Club. 1999 May/June; 130:81. Evidence-Based Medicine. 1999 May/June;3:95. Abstract of: Cline CM,

Israelsson BY, Willenheimer RB, Broms K, Erhardt LR. Cost effective management programme for heart failure reduces hospitalisation. Heart. 1998 Nov;80:442-6.
