Contents

Purpose and procedure	2	Alosetron for abdominal symptoms in women with irritable bowel syndrome	21
Additional articles abstracted in <i>ACP Journal Club</i>	3	Review: prednisone for children with steroid responsive nephrotic syndrome	22
EBM notebook: The rocky road: qualitative research as evidence	4	Diagnosis	
Resource corner	7	Smoking, age, and laryngeal height predicted obstructive airway disease	23
		Accuracy of abdominal palpation for detecting abdominal aortic aneurysm	24
		Review: the accuracy of troponin T and I tests in acute myocardial infarction	25
		Prognosis	
		Prognosis of ischaemic stroke subtypes	26
		Aetiology	
		Review: no association exists between allergen concentrations and risk of asthma	27
		Higher maternal age increased risks of fetal death and ectopic pregnancy	28
		Human papillomavirus 16 DNA and the risk of cervical carcinoma in situ	29
		Human papillomavirus 16 and the risk of cervical cancer	30
		Economics	
		Metered dose inhalers v spacers for albuterol for children with asthma	31
		Clinical prediction guide	
		A simple clinical tool helped to select women for bone densitometry	32
Therapeutics			
A computer based decision support system and risk chart for hypertension	9		
Long acting nifedipine or thiazide plus amiloride for hypertension outcomes	10		
Diltiazem or diuretics, β blockers, or both for preventing CV events	11		
Review: prehospital thrombolysis for myocardial infarction decreases short term mortality	12		
Review: PTCA led to less angina but more CABG than medical treatment alone	13		
Review: donepezil, metrifonate, rivastigmine, and <i>Ginkgo</i> for Alzheimer's disease	14		
On demand β_2 agonists were better than regular use in asthma control	15		
Voluntary counselling and testing to reduce unprotected sexual intercourse	16		
Review: maximum androgen blockade and suppression in prostate cancer	17		
Clonidine for tamoxifen associated hot flashes in postmenopausal women	18		
Review: palliative chemotherapy for advanced or metastatic colorectal cancer	19		
Review: smooth muscle relaxants for irritable bowel syndrome	20
