

# Evidence-Based Medicine

## Contents

<b>Purpose and procedure</b> .....	34	Suprascapular nerve block reduced chronic shoulder pain and disability in degenerative disease or rheumatoid arthritis.....	50
<b>Additional articles abstracted in ACP Journal Club</b> .....	35	Lumbar fusion did not differ from cognitive therapy plus exercise for reducing disability and pain in chronic low back pain .....	51
<b>EBM notebook</b>		Oestrogen plus progestogen did not reduce the risk of coronary heart disease in postmenopausal women ....	52
What makes evidence-based journal clubs succeed?...	36	Short course nevirapine was better than zidovudine for reducing the risk of mother to child transmission of HIV-1 infection.....	53
Superiority trials, non-inferiority trials, and prisoners of the 2-sided null hypothesis .....	38	Educational interventions improved some quality of life outcomes in prostate cancer .....	54
<b>Letter</b>		<b>Diagnosis</b>	
Patients at the centre: in our practice, and in our use of language.....	39	Symptoms and signs plus erythrocyte sedimentation rate or C-reactive protein predicted pneumonia in lower respiratory tract infection .....	55
<b>Therapeutics</b>		A 3 item screening instrument had moderate sensitivity and specificity for detecting migraine headaches .....	56
Review: the only effect for surgery plus antibiotics in vesicoureteric reflux is fewer febrile urinary tract infections .....	41	Review: several diagnostic aids have moderate to high accuracy for detecting abnormalities in acute knee pain .....	57
Angioplasty at an invasive treatment centre reduced mortality compared with first contact thrombolysis ...	42	Review: ear pain and a cloudy, bulging, or distinctly immobile tympanic membrane appear to help diagnose acute otitis media in children.....	58
Ximelagatran was non-inferior to warfarin in preventing stroke and systemic embolism in atrial fibrillation .....	43	<b>Prognosis</b>	
Candesartan reduced mortality and hospital admissions in chronic heart failure .....	44	The risk of suicide after deliberate self harm was significant and persistent over the long term .....	59
Sertraline reduced the severity of patients' depressive symptoms in major depressive disorder .....	46	<b>Quality improvement</b>	
Oral iron therapy reduced unexplained fatigue in non-anaemic women with serum ferritin concentrations $\leq 50 \mu\text{g/l}$ .....	47	Review: interventions focusing on patient behaviours in provider patient interactions improve diabetes outcomes .....	60
Review: adjuvant corticosteroid therapy reduces death, hearing loss, and neurological sequelae in bacterial meningitis .....	48	<b>Resource reviews</b> .....	61
Cognitive stimulation therapy improved cognition and quality of life in dementia .....	49	<b>Other articles noted</b> .....	63
		<b>Glossary</b> .....	Inside back cover

The virtual journal Paediatric Asthma, produced by the American Academy of Paediatrics and the BMJ Publishing Group, is now available free of charge to EBM subscribers at [www.pediatric-asthma.org](http://www.pediatric-asthma.org)
